FAIRFIELD — The consumer website RateBeer.com, dedicated to craft brewing, named Jungle Jim’s International Market in Fairfield one of the world’s best places to buy beer as part of its annual awards ceremony in January.

In particular, Jungle Jim’s was named the best grocery to buy beer in Ohio by the ratings and forum website.

Jungle Jim’s celebrated its 40th business anniversary in 2015. Since its founding as a roadside produce stand, the 200,000-square-foot store has become a regional destination in Fairfield thanks to a wide selection and attention-grabbing decor.

A second location was also added in Clermont County in 2012.
